Shorthorn Cattle

STOCKPORT

::

IOWA

Stockport is only 35 miles by automobile from Granger, Mo., (Jos. Miller & Sons), and 16 miles from Fairfield.

Stockport is located in the southeastern part of Iowa in a rich farming country, close to the main line roads of the C. B. & Q., C. R. I. P., and Santa Fé, as shown on the accompanying map.

Train leaves Newton at 5 o'clock and a number of cars and a representative will be in waiting to conduct visitors to the sale.

CLERKS OF SALE

J. C. McCarty
M. C. Mott

The old Day Farm, established in 1850, is the oldest pure bred Shorthorn breeding institution in Iowa. This farm and its heritage has come down through the years to Rhynas, Sons & Wells. The first Shorthorns shown at the first Iowa State Fair, came from this farm in 1854.

ANNOUNCEMENT

THE OFFERING herein listed comprises some of the best stock in the Rhynas, Sons & Wells herd. They are the products of a line of breeding that is both clean and strong, and the kind that is the most productive of the most desirable Shorthorns of the time. We are selling a number of heifers, which we consider are real show prospects, and the best we have ever offered at public auction.

The Rhynas home farm is said to be the oldest Shorthorn farm in the state of Iowa, its work dating back to its first importation from Kentucky in 1850. These cattle were fitted by Timothy Day & Sons and shown at the first Iowa State Fair, held at Fairfield.

Attention is called to Will Carrier's sale the day previous to ours, October 10th, at Newton, Iowa.

Terms and Conditions

Warranty—

We believe every animal to be sold in this sale will prove a breeder under proper care, but should any bull in this offering prove not a breeder after a reasonable trial period, we will replace him to the buyer's satisfaction or refund the purchase price, and, further, should any female not prove to be in calf to service given and on further trials fail to get with calf, we will replace such animal with another of equal value as near as possible. All other females of breeding age which have been bred are guaranteed breeders. Cows with calves are considered breeders and no further guarantee is given.

Pedigrees—

A transfer certificate of registry in the American Shorthorn Herd Book will be furnished for every animal, with the exception of the young calves sold with the dam, and there will be furnished with these a pedigree in the application form, ready for registry.

Terms—

Cash or short time note bearing 8 per cent interest. Anyone not personally known to us desiring to give note for purchase, please bring late bank reference. All stock will be loaded on cars after sale without trouble or cost to the purchaser. The entire

offering is insured for sixty days, at the purchase price, in the Hartford and Standard Live Stock Insurance Companies, against death from any cause. All cattle will be tuberculin tested to conform with the different state requirements before the sale.

Location—

Stockport is 35 miles northwest of Ft. Madison and 35 miles southeast of Ottumwa, Iowa, on the Ft. Madison branch of the C. B. & Q.; also 16 miles southeast of Fairfield and 22 miles southwest of Mt. Pleasant.

Train —

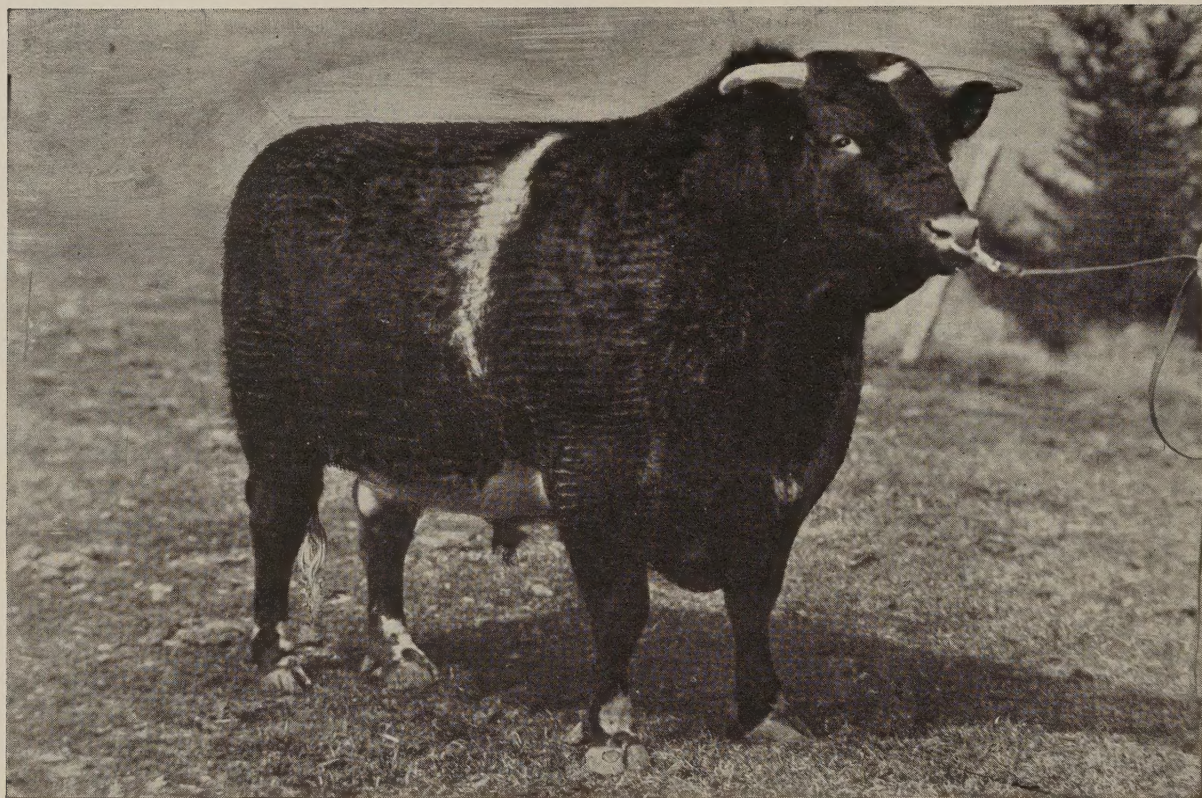

Train leaves Newton at 5 o'clock, and if the roads are good a number of cars will be in waiting with a representative to conduct visitors to our sale.

Notice—

A representative will be at the Will Carrier sale at Newton, Iowa, October 10th, 90 miles from Stockport, to escort parties from this sale to ours.

A picnic lunch will be served at the sale.

Sale will commence at 12:30 o'clock sharp, October 11, 1918.
